**FIRST AMENDED COMPLAINT FOR DECLARATORY JUDGMENT,  
PRELIMINARY AND PERMANENT INJUNCTIONS, AND DAMAGES**

Plaintiff, O'REILLY AUTO ENTERPRISES, LLC ("O'Reilly"), by counsel, pursuant to Fed. R. Civ. P. 7(a), brings its claims against Defendants as follows:

**INTRODUCTION**

Plaintiff operates a retail business as a tenant in Harvey, Illinois. Defendants, the City of Harvey and its law enforcement officials, without prior notice used the city police force to lock Plaintiff out of its business, including by placing concrete blocks in front of the business – all because Plaintiff would not agree to pay the city a \$20,000 fine for Plaintiff's landlord owing property taxes, for which Plaintiff bore no responsibility and over which the Landlord was in litigation with the city. This seizure of Plaintiff's business constitutes a flagrant deprivation of Plaintiff's Constitutional rights of due process and protection against excessive fines, and gives rise to a number of concurrent and supplemental claims.

## **THE PARTIES**

1. O'Reilly is a limited liability company organized under Delaware law with its headquarters in Springfield, Missouri, and regularly conducting business in Illinois. Its sole member is Ozark Services, Inc., a Missouri corporation with its headquarters in Springfield, Missouri.

2. Defendant City of Harvey, Illinois ("Harvey"), is a municipality organized under Illinois law located in Cook County, Illinois.

3. Defendant Christopher J. Clark ("Clark") is a natural person and a citizen of Illinois who at all relevant times has served as mayor of Harvey.

4. Defendant Cameron Biddings ("Biddings") is a natural person and a citizen of Illinois who at all relevant times has served as police chief of Harvey.

## **JURISDICTION AND VENUE**

5. This court has jurisdiction under 28 U.S.C. § 1331 because O'Reilly's claims arise under the Constitution and laws of the United States.

6. This court also has supplemental jurisdiction of all related claims arising under Illinois law under 28 U.S.C. § 1337(a). Diversity of citizenship also exists on these supplemental claims because (1) O'Reilly is a citizen of Delaware and Missouri and Defendants are all citizens of Illinois and (2) the amount in controversy exceeds \$75,000, further providing jurisdiction under 28 U.S.C. § 1332(a).

7. Venue in this district is proper under 28 U.S.C. §1331(b) because all Defendants reside in Cook County, Illinois, and a substantial part of the events giving rise to O'Reilly's claims occurred in Cook County, Illinois.

## **FACTS**

8. O'Reilly is a nationwide retailer engaged in the business of operating stores that sell automotive parts and services to the general public.

9. At all relevant times O'Reilly has operated a store located at 14921 Dixie Highway in Harvey ("the Store").

10. O'Reilly operates the Store as a tenant on real estate consisting of multiple units ("the Property"), each a separate lot with a separate property identification number (PIN).

11. O'Reilly occupies only one unit on the Property.

12. All lots on the Property are owned by Harvey Shopping Center, LLC, an Illinois limited liability company with its headquarters in Los Angeles, California ("the Landlord").

13. O'Reilly leases the unit housing the Store from the Landlord, who is responsible for paying property taxes on the entire Property.

14. On December 14, 2022, the Landlord filed a lawsuit against Harvey in the Circuit Court of Cook County, Chancery Division under Case Number 2022 CH 12050, alleging that it entered into an Economic Incentive and Public Private Partnership Agreement (the "Partnership Agreement") with Harvey to redevelop and improve the Property where the Store is located, and that pursuant to the Partnership Agreement, Harvey agreed to pay delinquent back taxes up to \$2.53 million but has failed to pay any of the property taxes. At all relevant times, this lawsuit remained pending.

15. The Store and the Property lie within the city limits of Harvey and are therefore subject to Harvey's ordinances.

16. At all relevant times, Section 5-02-065 of the Harvey Municipal Code governed business licenses as follows:

**5-02-065 Suspension, revocation, or refusal to issue a business license for nonpayment.**

- A. No initial or renewal license shall be issued to any person if:
    - 1. Such applicant has any outstanding fees, fines, assessments, penalties or taxes owed to the city for which the period granted for payment has expired; or
    - 2. *If the premises to be licensed has past due and/or delinquent real estate taxes for such property*, unless the property is exempt from taxation.
  - B. The licensee and the licensed premises must meet the eligibility requirements for an initial or renewed business license throughout the license term. The city may suspend or revoke a business license if the licensee or the licensed premises fails to maintain eligibility for a business license.
  - C. If the initial or renewal license is denied for reasons stated hereunder, the license or renewal applicant may appeal such a decision pursuant to the hearing procedures in Section 5-02-120.

(emphasis added).
17. At all relevant times, Section 5-02-120 of the Harvey Municipal Code further provided:

**5-02-120 Suspensions of license and hearings on license violations, fines, suspensions, and/or revocations.**

- A. The mayor as issuer of business licenses . . . shall have the power to designate a qualified hearing officer, an attorney licensed to practice law in the state of Illinois, in his stead, to act for the mayor in imposing license suspensions for violations of the terms of the license and to hear and rule upon all issues of license violations, fines, suspensions and revocations of any and all sorts as provided for in this title and the city's municipal code.
- B. Any license or permit issued under this chapter or any amendments thereto may, by the mayor, or his designated hearing officer, be suspended for a period of time not to exceed thirty (30) days or less, or it may be revoked indefinitely for any violation by the licensee or permittee of the ordinance provisions relating to the license or permit, subject matter of the license or permit, to the premises occupied, or for activities being carried on at the premises that do not fall within the purview of the license or permit granted.

C. Within three (3) days after the suspension period of the license or permit has expired, or within ten (10) days of the initial revocation of the license or permit, the mayor, or his designated hearing officer, shall give notice to the holder or holders of the license or permit that a hearing will be held at a designated hour at the City Hall to hear evidence and take testimony relative to the facts and circumstances surrounding the suspension or revocation; and a decision shall be rendered by the mayor, or his designated hearing officer, regarding the reinstatement, the impositions of fines, and/or the permanent revocation of the suspended or revoked license or permit within five (5) business days following the hearing. Suspension or revocation of a license or permit may be in addition to any fine imposed under other provisions of this code. If the mayor, or designated hearing officer, fails to take steps to hold a hearing, the suspended or revoked license or permit shall be automatically reinstated following the period of the initial suspension. *The temporary suspension shall take effect the day following the receipt by the licensee or permittee of a letter sent from the office of the mayor by certified mail setting forth the reasons for the suspension and the period of such suspension.* Notices for hearing shall be sent by the office of the mayor by certified mail to the licensee or permittee. The notices required under this section may be made by personal delivery to the licensee or permittee with an acknowledgement of receipt by the licensee or permittee.

(emphasis added).

18. Since at least 2014, O'Reilly annually applied for and received valid business licenses from the City of Harvey. On May 23, 2023 the City of Harvey issued O'Reilly a valid business license, signed and certified by Mayor Clark, which would expire April 30, 2024 (the 2023-2024 Business License). A true and correct copy of which is attached as Ex. A For each of the prior years, O'Reilly submitted its business license renewal applications to Harvey by UPS, which Harvey always accepted.

19. On or about April 25, 2024, before the expiration of the 2023-2024 Business License, O'Reilly timely applied for renewal of its license with the proper authority of Harvey. A copy of O'Reilly's April 25, 2024 renewal application is attached as Ex. B. O'Reilly sent the renewal application and a check for all renewal fees by UPS and the City of Harvey signed an acknowledgment that it received the UPS delivery of the renewal application.

20. Section 5-02-010 of the Harvey Municipal Code provides that the City “will act on the license applications within thirty (30) days” and “[i]f the city fails to act on a completed license renewal application within thirty (30) days, ***the license will continue in effect until the city acts on the license renewal application.***” (emphasis added).

21. O'Reilly's license renewal application provided all information and fees required by Section 5-02-010 of the Harvey Municipal Code and Harvey never acted on O'Reilly's license renewal application. Harvey never informed O'Reilly that its application to renew its business license was denied, or that its business license was suspended or revoked for any reason. Therefore, pursuant to Section 5-02-010, O'Reilly's 2023-2024 business license remains valid and in effect.

22. On or about July 1, 2024, O'Reilly received a citation from the City of Harvey alleging that O'Reilly was operating without a business license in violation of Section 5-02-170 of the Harvey Municipal Code.

23. Upon receipt of the July 1, 2024 citation, O'Reilly contacted Harvey and advised that it had timely submitted an application for renewal of its business license by UPS. A representative of Harvey informed O'Reilly that Harvey was no longer accepting business license applications by UPS and that the application had to be hand delivered to city hall. This was the first time that O'Reilly was ever informed of Harvey's new policy requiring hand delivery of business license renewal applications. Harvey advised O'Reilly to resubmit its application and payment for fees.

24. On July 12, 2024, a representative for O'Reilly hand delivered a new license renewal application with complete information as required by Section 05-02-010 and a check for \$714.00 for fees. True and correct copies of the July 12, 2024 renewal application and the cashed check are attached as Ex. C. Harvey informed O'Reilly's representative that the total amount for

fees due was \$765.79. O'Reilly's representative paid the balance of \$51.79 for the fees with a credit card. Harvey accepted O'Reilly's application and payment for the business license and gave O'Reilly a receipt, a copy of which is attached hereto as Ex. D. Harvey informed O'Reilly that it would receive its business license in the mail. However, Harvey again failed to act on O'Reilly's business renewal application, and therefore, under Section 5-20-010 of the Harvey Municipal Code, O'Reilly's 2023-2024 business license remains valid and in effect.

25. On July 24, 2024, a representative for O'Reilly attended a hearing on the July 1, 2024 citation for allegedly operating without a business license. During the hearing O'Reilly informed the hearing officer that it timely submitted its business renewal application, and a representative for Harvey confirmed that O'Reilly cleared up the issue by resubmitting its application and payment and that O'Reilly's business license was therefore clear and valid. Harvey then moved to non-suit the citation and the citation was dismissed.

26. O'Reilly did not receive any subsequent notice that there was any issue with its business license until on or about September 12, 2024, when O'Reilly received another citation from Harvey alleging that O'Reilly was operating without a business license in violation of Section 5-02-170 of the Harvey Municipal Code. This citation, which O'Reilly contests, was scheduled for a hearing on October 23, 2024.

27. Before O'Reilly could even be heard on the September 12, 2024 citation, Mayor Clark initiated a series of emails between September 18 and 24, 2024, wherein Clark demanded as a condition for O'Reilly maintaining its business operations in Harvey that O'Reilly enter into an agreement with Harvey under which it was to pay Harvey \$20,000 as a fine – not as payment – for delinquent property taxes owed by the Landlord for the entirety of the Property.

28. When O'Reilly objected, Clark on September 24, 2024, responded that O'Reilly could either (1) pay the \$20,000 or (2) be fined \$2,500 per day retroactively for five months for operating the Store without a business license, and gave O'Reilly until the end of the day on September 27, 2024, to decide.

29. Without any prior notice, on September 30, 2024, the Harvey police, at the direction of Clark and Biddings, placed locks on all units on the Property, placed concrete blocks in front of the Store, and stationed a patrol outside of each unit, preventing all ingress to and egress from each unit, including O'Reilly's Store.

30. As a result of Defendants conduct, O'Reilly was unable to access or conduct business in its Store and O'Reilly, therefore moved this Court for a temporary restraining order ("TRO"), which the Court granted on October 3, 2024. [Dkt. No. 10]. The Court ordered Harvey, and any agent or employee of Harvey and any person in active concert with Harvey, "to remove the barriers it placed at [O'Reilly's] premises that prevent [O'Reilly] from accessing its rental unit." [Dkt. No. 10]. Despite numerous requests from O'Reilly on October 3, 2024 for Harvey to remove its barriers, Harvey did not remove the barriers and comply with the TRO until October 4, 2024.

31. In the TRO, the court stated that it did not decide at that point "whether plaintiff has a license to operate its business and does not enjoin the City of Harvey from enforcing its municipal code *through any existing financial penalty structure along with the procedural mechanism for plaintiff to contest any effort* to impose a penalty on the grounds of operating a business without a license." [Dkt. No. 10] (emphasis added). Later in the evening on October 4, 2024, without following any procedural mechanism in the Harvey Municipal Code, Harvey placed a "Cease and Desist Order" on the front door of O'Reilly's store wrongfully alleging that O'Reilly

“is in violation of the City of Harvey’s Municipal Code and has been closed by the planning department.”

**COUNT I:**  
**DECLARATORY JUDGMENT, INJUNCTIVE RELIEF,**  
**AND DAMAGES FOR DEPRIVATION OF DUE PROCESS UNDER 42 U.S.C. § 1983**

32. O'Reilly incorporates Paragraphs 1 through 31, above, as though fully restated here.

33. O'Reilly is a person entitled to all rights, privileges, and immunities provided by the Constitution and laws of the United States.

34. O'Reilly has a protected property interest in the Store and all activities it conducts in the Store.

35. O'Reilly has a protected liberty interest in conducting business in the Store.

36. Defendants, acting under color of Illinois law and Harvey Ordinance, deprived O'Reilly of its liberty and property interests without providing notice or a hearing or any other procedural protections surrounding that deprivation, in violation of 42 U.S.C. § 1983 and the Fourteenth Amendment to the Constitution of the United States.

37. Defendants, acting under color of Illinois law and Harvey Ordinance, imposed an excessive fine by requiring it to pay a fine for delinquent property taxes it had no duty to pay, including those of units it had no rights to occupy, in violation of 42 U.S.C. § 1983 and the Eighth and Fourteenth Amendments to the Constitution of the United States.

38. Defendants undertook their actions with reckless or callous indifference to O'Reilly's constitutional rights.

39. As a direct result of Defendants' actions shutting it out from its business indefinitely, O'Reilly has suffered immediate and irreparable harm for which there is no adequate remedy at law.

40. O'Reilly is reasonably likely to prevail on the merits, and the issuance of a preliminary and permanent injunction would not violate, but instead would promote, public policy by preventing violation of O'Reilly's Constitutional rights.

41. The harm that O'Reilly suffers as outlined above is immediate and irreparable such that a temporary restraining order (TRO) is appropriate under Fed. R. Civ. P. 65

42. As a further direct result of Defendants' actions, O'Reilly suffered other harm for which a remedy at law exists, incurring damages.

WHEREFORE, O'Reilly requests that this court (1) enter a TRO against Defendants temporarily restraining them from continuing to block access to the Store or taking any other action impeding O'Reilly's ability to conduct business in the Store for 14 days pending hearing on a preliminary injunction, and (2) enter judgment in its favor and against Clark and Biddings as follows:

- (1) Declaring Defendants' actions taken under color of state law and in violation of O'Reilly's Constitutional rights to due process and freedom from excessive fines;
- (2) Preliminarily and permanently enjoining Defendants from continuing with their actions described above or taking any other action that violates O'Reilly's Constitutional rights to due process and freedom from excessive fines;
- (3) To any extent that a remedy at law exists, for an award of damages sufficient to compensate O'Reilly for its losses and for punitive damages for actions taken in willful violation of O'Reilly's Constitutional rights;

- (4) Awarding O'Reilly attorney fees under 42 U.S.C. § 1988; and
- (5) Granting all other appropriate relief.

**COUNT II:**  
**DECLARATORY JUDGMENT**

43. O'Reilly incorporates Paragraphs 1 through 31, above, as though fully restated here.

44. O'Reilly is a person entitled to all rights, privileges, and immunities provided by the Constitution and laws of the United States.

45. Section 5-02-065(A)(2) of the Harvey Municipal Code provides that a business license may be revoked if property taxes on the property that business occupies is delinquent, regardless of whether or not the license holder is responsible for the property taxes. Section 5-02-065(A)(2) therefore imposes punitive action on a business license holder irrespective of that person's personal culpability.

46. Furthermore, as applied here, Harvey is taking punitive action by demanding that O'Reilly pay a fine for delinquent property taxes that O'Reilly had no duty to pay and which included units that it has no right to occupy.

47. Consequently, Section 5-02-065(A)(2) violates the Eight and Fourteenth Amendments to the Constitution of the United States, both facially and as applied.

48. As an entity actually subjected to enforcement by Defendants of Section 5-02-065(A)(2) against it, an actual controversy exists between O'Reilly and Defendants regarding their rights and relationships that requires adjudication by this court.

WHEREFORE, O'Reilly requests that this court (1) enter a TRO against Defendants temporarily restraining them from continuing to block access to the Store or take any other action impeding O'Reilly's ability to conduct business in the Store for 14 days pending hearing on a

preliminary injunction, and (2) enter judgment in its favor and against Harvey, Clark, and Biddings as follows:

- (1) Declaring Section 5-02-065(A)(2) of the Harvey Municipal Code unconstitutional both facially and as applied to O'Reilly as violating the Eighth and Fourteenth Amendments to the Constitution of the United States;
- (2) Preliminarily and permanently enjoining Defendants from enforcing Section 5-02-065(A)(2) against O'Reilly and all other similarly situated; and
- (3) Granting all other appropriate relief.

**COUNT III:**  
**REGULATORY TAKING**

49. O'Reilly incorporates Paragraphs 1 through 31, above, as though fully restated here.

50. O'Reilly is a person entitled to all rights, privileges, and immunities provided by the Constitution and laws of the United States.

51. O'Reilly has a protected property interest in the Store, all of its possessions in the Store, and all activities it conducts in the Store.

52. To the extent Defendants' actions described above were authorized by law, they constitute a regulatory taking requiring just compensation under the Fifth and Fourteenth Amendments to the United States Constitution.

53. Harvey has failed to provide just compensation for its regulatory taking, in violation of the Fifth and Fourteenth Amendments to the United States Constitution.

54. As a result of Harvey's violation of the Fifth and Fourteenth Amendments to the United States Constitution, O'Reilly incurred damages.

WHEREFORE, O'Reilly requests that this court enter judgment in its favor and against Harvey, award damages sufficient to compensate O'Reilly for its losses, and grant all other appropriate relief.

**COUNT IV:**  
**VIOLATION OF THE ILLINOIS CONSTITUTION**

55. O'Reilly incorporates Paragraphs 1 through 31, above, as though fully restated here.

56. O'Reilly is a person entitled to all rights, privileges, and immunities provided by the Constitution and laws of Illinois.

57. O'Reilly has a protected property interest in the Store and all activities it conducts in the Store.

58. O'Reilly has a protected liberty interest in conducting business in the Store.

59. Defendants, acting under color of Illinois law and Harvey Ordinance, deprived O'Reilly of its liberty and property interests without providing notice or a hearing or any other procedural protections surrounding that deprivation, in violation of Art. I § 2 of the Illinois Constitution.

60. Defendants, acting under color of Illinois law and Harvey Ordinance, imposed a fine exceeding the seriousness of the offense by requiring it to pay property taxes it had no duty to pay, including those of units it had no rights to occupy, in violation of Art. I § 11 of the Illinois Constitution.

61. As a direct result of Defendants' actions shutting it out from its business indefinitely, O'Reilly has suffered immediate and irreparable harm for which there is no adequate remedy at law.

62. O'Reilly is reasonably likely to prevail on the merits, and the issuance of a preliminary and permanent injunction would not violate, but instead would promote, public policy by preventing violation of O'Reilly's Constitutional rights.

63. As a further direct result of Defendants' actions, O'Reilly suffered other harm for which a remedy at law exists, incurring damages.

WHEREFORE, O'Reilly requests that this court (1) enter a TRO against Defendants temporarily restraining them from continuing to block access to the Store or take any other action impeding O'Reilly's ability to conduct business in the Store for 14 days pending hearing on a preliminary injunction, and (2) enter judgment in its favor and against Defendants as follows:

- (1) Declaring Defendants' actions taken in violation of O'Reilly's Illinois Constitutional rights to due process and freedom from excessive fines;
- (2) Preliminarily and permanently enjoining Defendants from continuing with their actions described above or taking any other action that violates O'Reilly's Illinois Constitutional rights to due process and freedom from excessive fines;
- (3) To any extent that a remedy at law exists, for an award of damages sufficient to compensate O'Reilly for its losses and for punitive damages for actions taken in willful violation of O'Reilly's Constitutional rights; and;
- (4) Granting all other appropriate relief.

**COUNT V:**  
**CONVERSION**

64. O'Reilly incorporates Paragraphs 1 through 31, above, as though fully restated here.

65. O'Reilly has an absolute and unconditional right to all items of personal property, including inventory and equipment, inside the Store.

66. Defendants wrongfully and without authorization assumed control and dominion over O'Reilly's property.

67. O'Reilly has insisted on continued possession of its property.

WHEREFORE, O'Reilly requests that this court enter judgment in its favor and against Harvey, award damages sufficient to compensate O'Reilly for its losses, and grant all other appropriate relief.

**COUNT VI:**  
**TORTIOUS INTERFERENCE WITH PROSPECTIVE ECONOMIC ADVANTAGE**

67. O'Reilly incorporates Paragraphs 1 through 31, above, as though fully restated here.

68. O'Reilly at all times had a reasonable expectation of entering into business relationships with customers.

69. Harvey at all relevant times knew about O'Reilly's expectations.

70. Harvey's purposeful interference, as described above, prevented O'Reilly's legitimate expectation from developing into a valid business relationship;

71. As a direct result of Harvey's purposeful interference with its prospective economic advantage, O'Reilly incurred damages.

WHEREFORE, O'Reilly requests that this court enter judgment in its favor and against Harvey, award damages sufficient to compensate O'Reilly for its losses, and grant all other appropriate relief.

## CITY OF HARVEY

CHRISTOPHER J. CLARK, MAYOR

Dear Business Owner:

Business license renewal applications for the 2023-2024 term are now being accepted. In keeping with City ordinance 5-02-010, all business licensed applicants must apply to renew their business license and provide all required information and fees annually by April 30<sup>th</sup>. Therefore, failure to renew your business license by April 30, 2023, is a violation of said ordinance for which a non-negotiable \$2,500.00 per day penalty will be assessed.

In that the business license renewal process has typically been bureaucratic, cumbersome, and procedurally long, we are implementing a **NEW POLICY** for the 2023-2024 renewal term. Under the new policy, renewal applications will be approved upon receipt of the following three documents **(1) Renewal Application (fully completed and signed), (2) Valid Photo ID, (3) Business Questionnaire (fully completed and signed)** and the actual business license will be mailed via United States Postal Service within three to five business days.

Please be advised, the issuance of a business license is conditional upon compliance with all City Codes and Ordinances, State and Federal Laws, and the results of any required inspections. This means, applicable and current insurance, licenses, deeds and/or leases must be maintained onsite for verification. Failure to comply, shall be just cause for a \$2500.00 daily penalty. Additionally, the issued licensed may be suspended or revoked by the City.

We hope you see as we do, the value of your investment along with the ease of this new policy and will continue to provide your goods and/or services to City of Harvey residents and guest. For your convenience, a copy of the 2023-2024 renewal application is enclosed. If you have any questions, please email [planning@cityofharveyil.gov](mailto:planning@cityofharveyil.gov).

Kind regards,

Building and Inspectional Services
